

OrgHarvest Inc. Announces Global Master Agreement with First Seed Farms Inc.

DALLAS, February 25, 2020 (GLOBE NEWSWIRE) -- [OrgHarvest, Inc.](#) ("OrgHarvest") ([OTCMKTS: ORGH](#)), a complete seed-to-consumer hemp company, today announces it has entered into a Global Master Agreement ("GMA") with First Seed Farms Inc. Under the GMA, OrgHarvest has exclusive rights to sell First Seed's genetic products to the marketplace.

"This agreement formally positions OrgHarvest as the leading supplier of superior quality hemp, a much anticipated and needed distinction in the crowded hemp genetics space," stated J. Larry Cantrell, president and CEO of OrgHarvest. "The traceability that First Seed Farms technology provides allows OrgHarvest to deliver a new level of transparency to customers and product consumers."

First Seed Farms is the leading provider of superior quality, traceable and stable hemp seed genetics. The company controls exclusive farm and ranch partnerships, numerous supply chain relationships, private label and proprietary branding agreements, and provides numerous industry services.

"First Seed Farms is meeting the demand for quality hemp genetics," stated Trey Weidner, president of First Seed Farms. "Our agreement with OrgHarvest allows First Seed Farms to continue important research in a private setting while our marketable products benefit from OrgHarvest's global reach and public company transparency."

First Seed Farms is a wholly owned subsidiary of First Seed International Inc., which has a controlling interest in OrgHarvest.
